

## Invitation

The University of Agronomic Sciences and Veterinary Medicine of Bucharest is honored to invite you to participate at the 7<sup>th</sup> edition of the International Conference "Agriculture for Life, Life for Agriculture" that will be held in Bucharest, Romania between 7<sup>th</sup> and 9<sup>th</sup> of June 2018.

It is our privilege to continue the tradition of the past editions that have been extensively recognized by its participants as very successful and scientific soundness. We are proud of the fact that from the previous editions, our Conference each year had more than 500 papers, with over 1800 authors and experts from 42 countries worldwide. We are sure that this year, the Conference will bring again together researchers, scientists, experts and students from all around the world that will have the opportunity to present their latest research achievements and to build new connections and partnerships. Meanwhile the event will offer a particular insight into the most recent agricultural research and development from the latest scientific knowledge research, field studies and exploitable results.

The contributions presented at the conference will be published in the scientific journals of the University of Agronomic Sciences and Veterinary Medicine of Bucharest, sections: Agronomy; Horticulture; Animal Science; Veterinary Medicine; Land Reclamation, Earth Observation & Surveying, Environmental Engineering; Biotechnology; Management and Engineering in Rural Areas. Based on the Scientific Committee/s recommendations, a selection of the most representative papers will be submitted for evaluation and publication in AgroLife Scientific Journal, Vol. VII, Issues 1&2/2018, indexed in Web of Science™ Core Collection.

We are looking forward to welcoming you at the "Agriculture for Life, Life for Agriculture" Conference in 2018 to share the experience and the joy of the event together.
